*Personal Greetings to all owners and friends for Christmas and the New Year from Frazer-Nash Cars*

(Welbeck Viewpoint No. 383 of a series)

**"Do you understand guaranteed repurchase?"**

If you intend visiting England shortly and need a motor car, whether it be for 2 months or 12 months, then why not use our guaranteed repurchase scheme?

The rules are simple:

1. You choose a new or used Ford.
2. You purchase it outright.
3. We repurchase it at the end of your stay.
4. The car is guaranteed for the whole period.
5. Although we commit ourselves to repurchase the vehicle, you are obligated to sell it back to us.
6. Insurance can be arranged at competitive terms.
7. The car can be taken abroad.
8. No mileage charge.

So write to us stating type of car required, period of use, arrival and departure date, and most important of all how much money you want to spend.

Finally, if you wanted a quality car then I suppose we could borrow the Managing Director's new Daimler.

D. R. Burrows has been appointed assistant advertising manager of the Dunlop Rubber Co. Ltd., at Fort Dunlop, Birmingham.

## G. W. WARD

CHARLES WILLIAM WARD, senior, co-founder of the well-known coach-builders, Park Ward, died on Sunday, 9 December, in his 73rd year. Trained as an engineer, he spent some of his early days with Fiat and Sizaire-Berwick and in 1919 formed a partnership with W. M. Park at premises in Willesden, London. Eventually the firm was absorbed within the Rolls-Royce organization and became their official bodybuilders. Mr. Ward retired in 1955 to the south coast but continued his interest in the Benevolent Fund and the Motor Trades Golfing Society. His son, C. W. Ward, is director and general manager of the company his father founded.
